

News and Services of the Hekman Library –Summer, 2010

WELCOME GUEST PATRONS. Whether you are here this summer to take classes, for orientation, a conference or participating in one of the many seminars offered on campus, we hope you will find Hekman Library a valuable resource during your time at the college. The librarians are happy to assist you in your research and are available at the Research Assistance desk or by appointment.

Find us on **facebook**

Hekman Library, Calvin College now has a facebook account and would like you to be one of our **friends**. Current students, alumni, colleagues, and guests; we invite you to stay connected to us through facebook.

Out with the old—in with the new! The Curriculum Center, in an attempt to provide current educational materials, is working on a summer discard project. Stop by and check out the items on the free table outside of the Curriculum Center library. Get creative and show us your best **used book creation!**

New Encyclopedias

Summer is a great time to peruse new additions to the library. We have a vast collection of encyclopedias located in the reference section on the 2nd floor. Take a look at the subject-specific encyclopedias as a great place to start your research. Below are a few recent additions to the collection:

American Countercultures: An Encyclopedia of Nonconformists, Alternative Lifestyles, and Radical Ideas in U.S. History

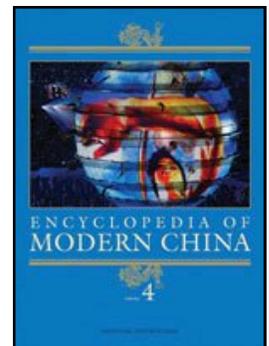

Ref. HM 647.A44 2009 v.1-3

This three-volume encyclopedia details the American counterculture from the establishment of the first Virginia colony in 1607 to the present day, focusing on the writings, recordings, and visuals produced to educate, inspire, and incite action.

Encyclopedia of Modern China

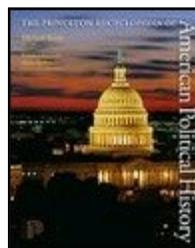

Ref. DS 755.E53 2009 v. 1-4

According to the publisher, the *Encyclopedia of Modern China* provides critical information on the most populous country and most dynamic trade market in the world: the people, politics, economics, religion, philosophy, traditions, art, and literature of this ancient and enduring civilization is explored from the beginning of the nineteenth century to the present day.

The Princeton Encyclopedia of American Political History

Ref. E 183.P85 2010 v. 1-2

This two-volume encyclopedia is broad in scope and addresses the traditional topics of political history and the wider subject of current scholarship.

The Encyclopedia of MONEY

Ref. HG 216.A43 2009

This resource covers the development of money and the functions of the financial and monetary systems.
