Join the Library Student Advisory Group!

The Hekman Library Student Advisory Group (SAG) is a new informal group that will assist the library staff in creating a better library experience. We will meet once or twice a semester; you can attend as many meetings as you want (no long-term commitment is required).

To sign-up for the first SAG meeting, October 13 @ 3:30 pm, contact Glenn Remelts (remelt@calvin.edu). Refreshments will be served, of course!
